

Dalle finestre

della scuola

i bambini

guardano

il nido

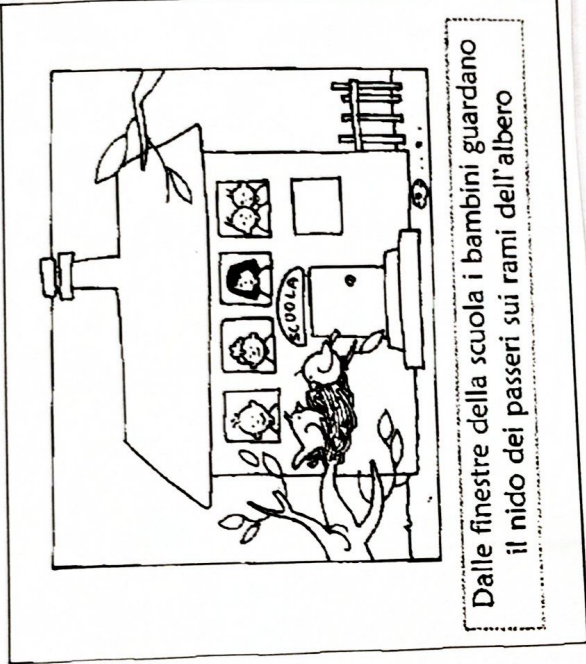

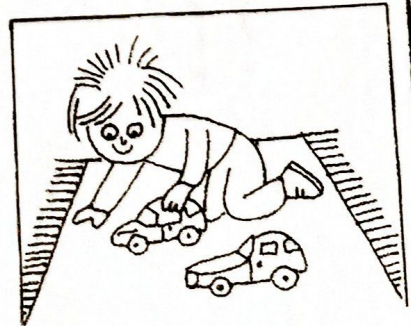

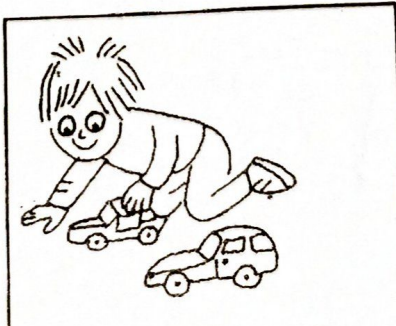

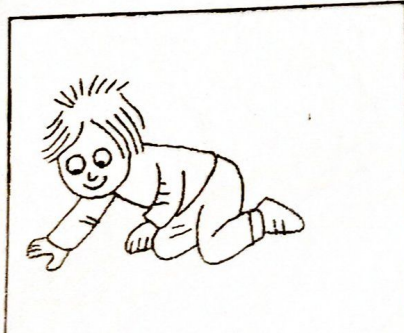

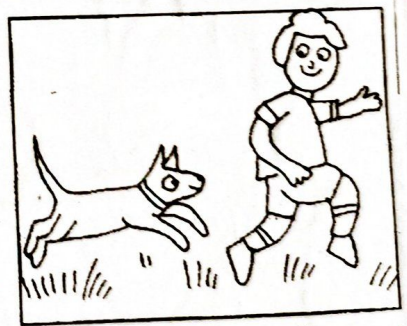

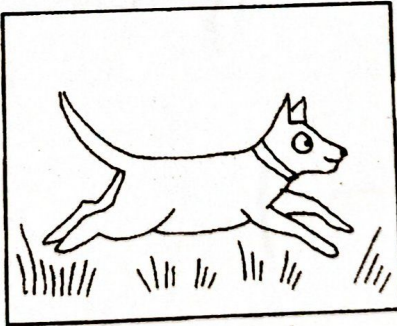

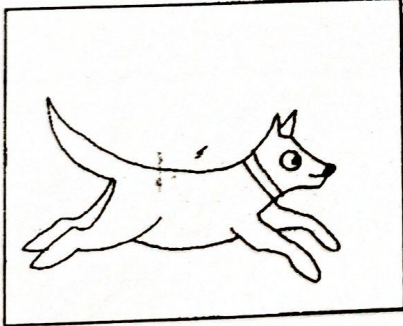

dei passeri

sui rami

dell' albero

Il vento

con violenza.

bagna

le cime

La pioggia

le strade

della spiaggia

La neve

imbianca

gli alberi

della città.

Il sole

scuote

la sabbia

dei monti.

Il fuoco

proteggono

un film

dal freddo.

Le storie

trasmette

le mani

nel caminetto.

I guanti

divertono

la legna

di Federica.

La TV

brucia

gli amici

di guerra.
